In front of the spider

The small Centaur told to Carolina that before coming to Mount Peace had to traverse the maze of spiders. A small place but full of corridors at the end of which lived a spider, but one that led to the exit.

Director: Marc Nadal

Marc Nadal (born in Barcelona in 1989) is a film director and screenwriter, received the award for Best Director in "Festival de cine" of Sant Vicenç de Castellet. Participates in international festivals and exhibitions with films like "Ante la araña", "Marionetas", "La rosa congelada", "La piel y el alma" and "El espejo humano". Starts making short films in 2008 as a director and is involved in other projects such as script, photography and production. In 2012 he obtained the degree in film directing at Bande à Part, Barcelona film School.
